1. The Ministry for Heavy Industry, it was learned on 20 October, was moving into the Neue Verwaltung Building, 19 Grafenauer Weg, in the Karlshorst compound.
2. The Neue Verwaltung was originally scheduled to house the East Berlin komendatura and KVP liaison officers. Many of the latter had already moved in when the order assigning the building to the Ministry for Heavy Industry was issued.
3. The komendatura is now in possession of Buildings 2, 3, 4 and 8 of the Headquarters Compound in Karlshorst. The MVD is now in the process of reconditioning Building 7. The KVP was to have taken over the entire Headquarters Compound, but these plans have now been changed. While the KVP is still occupying Building 1, no large-scale influx of KVP's into the compound has taken place.
